

Company PROFILE

Web URL: www.konferencex.com

NEUDIMENXION, through its Conference / event management arm, **KONFERENCEx** commenced its business venture into the conference management and ONSITE information technology industry in November 2009.

We are an experienced provider of professional and experienced conference hosts/hostesses to support organisers and businesses at events across the Malaysia, Singapore and ASEAN countries.

We understand the importance of running a high profile conference to schedule, efficiently and projecting a positive and professional image to delegates. Every conference is very important with world renowned speakers and professionals in attendance and it's vital that a corporate and professional efficient image is projected at all times. We know the need for extra staff at the conference to welcome and direct delegates, distribute passes and packs efficiently and quickly to attendees..
